

KAPLAN'S  
Functional and Surgical  
ANATOMY  
OF THE  
HAND

THIRD EDITION

Morton Spinner

# Contents

## Part One The Hand as an Organ

### 1 THE HAND AS AN ORGAN 3

EMANUEL B. KAPLAN | MORTON SPINNER

Definition of Motions of the Thumb, the Fingers,  
and the Wrist 8

Positions of the Hand 9

Fundamental Functions of the Hand 11

Skeleton of the Hand 15

## Part Two Structure and Function

### 2 THE FINGERS 23

**Osseous and Ligamentous Structures 23**

MARTIN A. POSNER | EMANUEL B. KAPLAN

Phalanges and Metacarpals 23

Interphalangeal, Metacarpophalangeal, and Distal

Interphalangeal Joints and Ligaments 30

**Lymph, Blood, and Nerve Supplies of Interphalangeal  
and Metacarpophalangeal Joints 51**

ROBERT J. SCHULTZ | EMANUEL B. KAPLAN

**The Muscles and the Tendon Systems of the Fingers 53**

EMANUEL B. KAPLAN | JAMES M. HUNTER

The Pronatorflexor and Supinator-extension Masses 53

## **Anatomy of Flexor Tendons—Pulley, Vincular, Synovia, and Vascular Structures 65**

JAMES M. HUNTER

- The Retinacular and Sheath Systems 65
- The Paratenon System (Palm) 73
- Vascular Anatomy of Flexor Tendons 73
- Blood Supply to the Flexor Tendon Superficialis and Profundus Muscle 75
- The Vincular System in the Digital Sheaths 84

## **Extrinsic Muscles of the Fingers 93**

EMANUEL B. KAPLAN | JAMES M. HUNTER

- Long Extensor Muscles 93
- Dorsal Apparatus of the Finger 98
- Intrinsic Muscles 102
- Muscles of the Hypothenar Eminence 107
- Lumbrical Muscles 109

## **3 THE THUMB**

**113**

EMANUEL B. KAPLAN | DANIEL C. RIORDAN

- Phalanges and Metacarpal 114
- Joints of the Thumb 115
- Blood and Nerve Supply 124
- Muscles of the Thumb 124

## **Pollicization 143**

DANIEL C. RIORDAN

## **4 THE WRIST**

**153**

EMANUEL B. KAPLAN | JULIO TALEISNIK

- Osseous Structures of the Wrist 153
- Ligamentous Apparatus and Joints of the Wrist 165
- Muscles Moving the Wrist 175

## **Current Concepts of Carpal Dynamics 179**

JULIO TALEISNIK

- Ligaments 179
- Carpal Kinematics 194
- Vascular Anatomy of the Carpus 196
- Extraosseous Vascularity 198
- Interosseous Vascularity 200

## **5 THE BLOOD AND THE NERVE SUPPLY OF THE HAND**

**203**

## **The Blood Supply of the Hand 203**

E. F. SHAW WILGIS | EMANUEL B. KAPLAN

- Arteries 203
- Nerves of the Arteries and Veins 213
- The Venous System 216
- Lymphatic System 221

## **Nerve Supply to the Muscles of the Hand 222**

ROBERT J. SCHULTZ | EMANUEL B. KAPLAN

- Individual Nerve Descriptions 223
- Cutaneous Innervation of the Hand and Fingers and Their Variations 237
- Variations of Sensory and Motor Nerve Supplies 237
- Articular Innervation 241

## **6 THE RETINACULAR SYSTEM OF THE HAND 245**

EMANUEL B. KAPLAN | LEE W. MILFORD

- Thenar and Hypothenar Fasciae 247
- Midpalmar Fascia 248
- Deep Palmar Fatpad 259
- Deep Transverse Metacarpal Ligament 261
- Transverse Carpal Ligament 261
- Retinacular Apparatus of the Dorsum of the Hand and the Fingers 263
- Extensor Retinaculum 265
- Retinacular System of the Digits (Milford) 268
- Synovial Sheaths of the Hand 277
- Hand Spaces 280

## **7 KINESIOLOGY OF THE HAND AND WRIST AND MUSCULAR VARIATIONS OF THE HAND AND FOREARM 283**

### **Mechanisms of Action of the Fingers, the Thumb, and the Wrist 283**

EMANUEL B. KAPLAN | RICHARD J. SMITH

- The Motors and Mechanisms of Action of the Fingers 284
- Conclusions Regarding the Motion of the Fingers 312
- Motors and Mechanism of Action of the Thumb and Little Finger 314
- Motors and Mechanism of Action of the Wrist 328

### **Important Muscular Variations of the Hand and Forearm 335**

EMANUEL B. KAPLAN | MORTON SPINNER

- Extrinsic Muscles 335
- Intrinsic Muscles 345

## **Part Three Surgical Anatomy**

## **8 SURFACE ANATOMY OF THE HAND AND THE WRIST 353**

DANIEL C. RIORDAN | EMANUEL B. KAPLAN

- The Volar Aspect 353
- The Dorsal Aspect 357

## **9 SURGICAL APPROACHES 361**

LEE W. MILFORD | EMANUEL B. KAPLAN

- Incisions Over Fingers 363

Dorsal Incisions	367
Incisions Over the Thumb	372
Surgical Approaches to the Palm of the Hand	380
Surgical Approaches and Anatomy of Dupuytren's Contracture	381
Incisions for Release of Carpal Tunnel Syndrome	385
Incisions for Trigger Finger	385
Incisions Into the Dorsum of the Hand	386
Surgical Approaches to the Wrist	386

**10 AMPUTATIONS IN THE HAND; CONCEPTS AND TREATMENT 399**

ALFRED B. SWANSON | GENEVIEVE DEGROOT SWANSON  
EMANUEL B. KAPLAN

Principles of Treatment	400
Concepts of Single Digit Amputation	401
Concepts of Multiple Digit Amputation	406
Wrist Disarticulation	411
Bilateral Hand Loss—the Krukenberg Procedure	411
Prosthesis	415

**CLASSIC BIBLIOGRAPHY 419**

**CURRENT BIBLIOGRAPHY 428**

**EMANUEL B. KAPLAN BIBLIOGRAPHY 430**

**INDEX 435**
