

H. Heidrich
(Edt.)

RAYNAUD'S PHENOMENON

TM-Verlag

Contents

<i>H. Heidrich</i> Raynaud's Syndrome – Analysis and Problems	15
Definition and Phenomenology	
<i>H. A. J. Lemmens</i> Nomenclature of Ischemic Handsyndromes	19
<i>P. Langeron, L. Crocchel</i> The Concept of Raynaud's Phenomenon	25
<i>W. Schoop</i> Definition and Classification of the Raynaud's Syndrome	31
<i>H. Hess</i> The Syndrome of Acute and Subacute Peripheral Ischemia	33
Round-table Discussion: Definition and Phenomenology Chairman: R. Hild	36
Pathophysiology	
<i>O. Thulesius</i> Pathophysiological Aspects of Raynaud's Syndrome	45
<i>S. L. Nielsen</i> Finger Systolic Pressure in Raynaud's Phenomenon during Cooling	53
<i>B. Krähenbühl</i> Influence of Cold on Finger Reactive Hyperemia in Patients with Raynaud's Phenomenon	57
<i>S. L. Nielsen</i> Noradrenaline Sensitivity of Digital Arteries in Primary Raynaud's Syndrome	61
<i>K. Haavik Nilsen</i> Microvascular Cold Sensitivity in Raynaud's Phenomenon Associated with Primary Raynaud's Disease, Systemic Sclerosis and Rheumatoid Arthritis	65
<i>G. Holti</i> Bio-Microscopy of Human Nailfold Capillaries	69

Diagnosis

<i>A. Bollinger</i>	
Apparative Diagnosis in Raynaud's Syndromes: Possibilities and Limits	73
<i>M.J.G. O'Reilly, G. Talpos, V.C. Roberts, L.T. Cotton</i>	
The Value of Doppler Ultrasound in Raynaud's Phenomenon	83
<i>P. Langeron</i>	
Theoretical and Practical Aspects of the Methods of Investigation of the Distal Vascular Bed in Raynaud's Phenomenon	89
<i>R. Cristol, B. Graisely, M. Cloarec, J. Debray</i>	
Raynaud's Syndrome: Study of Fingertip Blood Flow by Plethysmography with Venous Occlusion	95
<i>G. Stüttgen</i>	
The differentiation of Raynaud's Syndromes from the microcirculatory aspect	99
<i>J.F. Merlen</i>	
Function Research in the Case of Raynaud's Phenomena	103
<i>C.J.L. Strachan</i>	
Diagnosis of Raynaud's Syndrome by Gamma Camera	107
<i>G. Holti</i>	
The Segmented Thermal Clearance Probe Technique in the Quantitative Evaluation of the Severity of Raynaud's Syndrome	111
<i>O. Thulesius, E. Berlin</i>	
New Skin-Flow-Meter for Measurement of Cutaneous Circulation	115
<i>A. Kriessmann, A. Neiss, L. Häusler, M. Rädler</i>	
Electronic Oscillography in Raynaud's Syndrome	119

Angiographical Diagnosis

<i>E. Zeitler</i>	
Angiographic Techniques and Findings in Primary and Secondary Raynaud's Syndromes	125
<i>H.A.J. Lemmens</i>	
Angiographic Findings in Ischemic Handsyndromes	131
<i>F. Lund</i>	
Fluorescence Angiography in Diagnosis of Raynaud's Syndrome	135
<i>G. Kobinia, F. Olbert, P. Weidinger, H. Denck</i>	
Angiographic Findings in Upper Limb Ischaemia with Raynaud's Syndrome	143
<i>M. Hodara, A. Bonnin, M. Coquet</i>	
Raynaud's Disease and Oesophageal Radiocinematography	149
Round-table Discussion: Diagnosis	
Chairman: A. Bollinger	151

Etiology of Raynaud's Syndromes

<i>H. Heidrich</i> Etiological Aspects of Raynaud's Syndromes	155
<i>A. Franco, P. Carpentier, D. Lemonnier</i> Differential Diagnosis of Raynaud's Phenomenon and Disease	159
<i>H. Latour</i> Raynaud's Disease and Phenomenon and Congenital Arterial Disease of the Limbs	163
<i>K. Alexander</i> Raynaud's Phenomenon in Cases of Collagen Disease and Chronic Polyarthritis	169
<i>W. Gotwald</i> Incidence of Raynaud's Syndromes in Neuropsychiatric Diseases	175
<i>C. Bourde, M. Dubouloz</i> Psychological Factors in Raynaud's Disease	181
<i>H. Heidrich, H. Wilke-Burger, U. Moldenhauer</i> Psychiatric Factors in Raynaud's Syndrome	185
<i>H. Latour</i> Raynaud's Disease and Buerger's Disease: Interrelationships, Limits and underlying Arterial Abnormalities	189
<i>G. W. Taylor, C. L. Welsh</i> Raynaud's Phenomenon of Occupational Origin	195
<i>S. L. Nielsen, N. Olsen</i> Raynaud's Phenomenon in Traumatic and Obliterative Arterial Diseases	199
<i>D. Schneider</i> Raynaud's Phenomenon in Haematological Diseases, Malignancy, and during Cytostatic Therapy	203
<i>R. Kölbl, H. Heidrich</i> Orthopaedic Presentation of Raynaud's Phenomenon	207
<i>G. Veltman</i> Raynaud's Syndrome in Vinylchloride Disease	211
<i>J. H. Dunant</i> Raynaud's Phenomenon in Thoracic Outlet Syndrome	217
<i>O. Thulesius</i> Raynaud's Phenomena and Beta-Blockade	221
<i>H. Mörl</i> Raynaud's Syndrome in Dialysis Patients	225

Surgical and Conservative Therapy

<i>M. Birnstingl</i> Results of Sympathectomy in Raynaud's Syndrome	229
<i>H. A.J. Lemmens</i> Thoracic Sympathectomy in the Treatment in Ischemic Handsyndromes	233
<i>H. Denck</i> Surgical Concepts in the Therapy of Raynaud's Disease	239
<i>P. Weidinger</i> Plate Thermography for the Therapy Control and Diagnosis of Raynaud's Syndromes	241
<i>M. Wunderlich, A. Früsch</i> Late Results of Thoracoscopic Sympathectomy in Raynaud's Disease	247
<i>J. D. Gruß, D. Bartels, S. Kawai, C. Karadedos</i> Diagnosis, Surgical Therapy and Results of the Thoracic Sympathectomy in the Raynaud's Syndrome with and without Vascular Occlusions	251
<i>M. Vayssairat, J. N. Fiessinger, E. Housset</i> Medical Treatment of Raynaud's Phenomenon	255
<i>G. Holti</i> The Medical Management of Raynaud's Phenomenon	263
<i>H. Heidrich</i> Principles, Scope and Limitations of Conservative Treatment of Raynaud's Syndrome	267
<i>H. Friedmann, I. Pelc</i> Biofeedback in the Treatment of Raynaud's Syndrome. Principle, Technique, Indications, Results	271
<i>J.-L. Poupy, M. Hodara</i> Acupuncture and Raynaud's Syndrome	277
<i>P. E. M. Jarrett</i> The Treatment of Raynaud's Phenomenon by Fibrinolytic Enhancement	279
<i>M. Fischer, H. H. Wagner, K. Alexander</i> Experience in Defibrination Therapy in Raynaud's Syndromes	285
<i>M.J.G. O'Reilly, A.J. Dodds, G. Talpos, A. Hamilton, L.T. Cotton</i> Plasmapheresis in Raynaud's Phenomenon	291
<i>F. Lund</i> Local Application of Nitroglycerin in Raynaud's Syndromes	297
Round-table Discussion: Surgical and Conservative Therapy	305
