# Current Trends in Bone Grafting

Foreword by Robert B. Duthie

With 67 Figures in 108 Separate Illustrations

Springer-Verlag Berlin Heidelberg New York  
London Paris Tokyo

## Table of Contents

<i>1 In Search of an Ideal Bone Graft . . . . .</i>	1
Cortical and Cancellous Grafts . . . . .	1
Bone Physiology in Relation to Grafting . . . . .	2
Fate of Bone Grafts . . . . .	3
Bone Substitutes . . . . .	7
Conclusion . . . . .	8
The Ideal Bone Graft . . . . .	8
References . . . . .	9
<i>2 Vascularised Bone Grafts . . . . .</i>	11
Introduction . . . . .	11
Early Experimental Results . . . . .	11
Vascularised Bone Graft . . . . .	13
References . . . . .	15
<i>3 Vascular-Pediced Bone Grafts . . . . .</i>	17
Experimental Work . . . . .	17
Historical Development . . . . .	18
Indications . . . . .	19
Muscle-Pediced Grafts . . . . .	19
Vascular-Pediced Bone Grafts . . . . .	26
Conclusion . . . . .	30
References . . . . .	30
<i>4 Vascular-Pediced Bone Grafts and Hip Reconstruction . . . . .</i>	33
Vascular Anatomy of Iliac Crest . . . . .	33
Preparation of Vascular-Pediced Iliac Crest Graft . . . . .	34
Clinical Applications . . . . .	36
Conclusion . . . . .	48
References . . . . .	49

X Table of Contents

<i>5 Free Vascularised Bone Grafts</i> . . . . .	51
Introduction . . . . .	51
Donor Site . . . . .	51
Indications . . . . .	56
Postoperative Considerations . . . . .	69
Conclusion . . . . .	69
References . . . . .	70
<i>6 Free Vascularised Composite Bone Grafts</i> . . . . .	73
Introduction . . . . .	73
Thumb Reconstruction Using Second Toe . . . . .	73
Thumb Reconstruction Using Wrap-around Flap . . . . .	82
Finger Reconstruction . . . . .	84
Pincer Reconstruction . . . . .	87
Double Finger Reconstruction . . . . .	90
Toe Transplantation for Congenital Anomalies . . . . .	93
Composite Tissue Grafting for Bone and Soft-Tissue Deficiencies in the Hand . . . . .	95
Conclusion . . . . .	97
References . . . . .	97
<i>7 The Future</i> . . . . .	99
Experimental Work . . . . .	99
The Future . . . . .	102
References . . . . .	103
<i>8 Name Index</i> . . . . .	105
<i>9 Subject Index</i> . . . . .	107
