

HAND AND UPPER LIMB

4

FRACTURES OF THE HAND AND WRIST

Edited by N. J. Barton

Foreword by R. G. Pulvertaft

Churchill Livingstone 

Contents

SECTION 1 Hand Fractures 1

PART A Fractures of the phalanges 3

- 1 Fingertip fractures 4
S. L. Biddulph
- 2 Epiphyseal fractures 10
A. J. Weiland, G. M. White, J. R. Moore
- 3 Fractures of the shafts of the phalanges: conservative treatment 22
J. I. P. James
- 4 Fractures of the shafts of the phalanges: treatment by functional bracing 32
J. M. Thomine, P. Y. Milliez
- 5 Fractures of the shafts of the phalanges: percutaneous wire fixation 41
M. R. Belsky, R. G. Eaton
- 6 Fractures of the shafts of the phalanges: open reduction and internal fixation 47
J. E. Kutz, M. E. Ruff
- 7 Articular fractures 55
W. M. Steel
- 8 Comminuted fractures 74
P. J. Mulligan

PART B Fractures of the metacarpals 87

- 9 Metacarpal head fractures 88
E. C. McElfresh
- 10 Fractures of the neck and shaft of the metacarpals 108
D. W. Lamb

- 11 Fractures and dislocations at the base of the metacarpals 120
J. H. Dobyns

PART C Special types of hand fractures 135

- 12 Pathological fractures of the hand 136
J. Noble, H. Potts
- 13 Open fractures and those with soft tissue damage: treatment by external fixation 145
H. Hastings II
- 14 Severe fractures, including those with loss of bone 173
G. Segmüller
- 15 Fixation of fractures in reattachment of amputated parts 191
J. D. Matiko, G. D. Lister

SECTION 2 Wrist Fractures 207

PART A Fractures of the carpus 209

- 16 Scaphoid fractures: conservative management 210
R. A. Dickson
- 17 Scaphoid fractures: operative treatment 220
T. J. Herbert
- 18 Other carpal fractures 236
G. A. Buterbaugh, A. K. Palmer

PART B Fractures of the distal radius 251

- 19 Smith's and Barton's fractures 252
R. J. Smith, W. E. Floyd III

- 20** Colles's fractures: conservative treatment 267
F. D. Burke
- 21** Colles's fractures: combined internal and external fixation 276
H. J. R. Ulson
- 22** Distal radial fractures: external fixation 290
W. P. Cooney

SECTION 3 What Happens Afterwards? 303

- 23** Rehabilitation 304
R. H. C. Robins
- 24** Complications 319
N. J. Barton

Appendix: Kirschner wires 343
T. J. Wilton
