# CONTENTS

---

## **SURGICAL TECHNIQUE, 1**

- Arrangement and routine in operating room, 1
- Incisions, 7
- Basic tissue techniques, 12

## **CARE AFTER SURGERY, 23**

## **SPLINTING, 25**

## **OPEN HAND INJURIES, 26**

- First examination, 28
- Second examination, 33
- Methods of skin closure and indications for each, 33
- Considerations for repair of deep structures, 39
  - Fractures, 39
  - Tendon injuries, 40
  - Nerve injuries, 42
  - Arterial injuries, 44

## **CLOSED HAND INJURIES, 44**

- Dislocations and ligamentous injuries, 44
- Tendon ruptures, 50
- Fractures, 52
- Arterial injuries, 66

## **SPECIAL HAND INJURIES, 68**

- Thermal burns, 68
- Electrical burns, 70
- Radiation burns, 70
- Frostbite, 70
- Paint-gun injuries, 71
- Grease-gun injuries, 71
- Shotgun injuries, 72
- Wringer injuries, 74

## **RECONSTRUCTION AFTER INJURY, 74**

- Skin coverage, 75
- Secondary nerve repair, 78

- Bone and joint reconstruction, 84
  - Complications of fractures, 84
  - Limitation of joint motion, 89
  - Arthrodesis, 96
  - Arthroplasty, 100
  - Capsulotomy, 101
- Secondary repair of tendons, 102

### **AMPUTATIONS, 113**

- Principles of amputation of fingers, 117
- Amputations of fingertip, 118
- Amputations of single finger, 122
- Amputations of thumb, 124
- Amputations of multiple digits, 124
- Painful amputation stump, 127
- Reconstructions after amputation, 127
  - Reconstruction after amputation of hand, 127
  - Reconstruction after amputation of multiple digits, 131
  - Reconstruction of thumb, 131

### **ADDUCTED THUMB, 142**

### **PARALYTIC HAND, 145**

- Principles of tendon transfer, 147
- Restoration of pinch, 149
  - Restoration of opposition of thumb, 149
  - Restoration of adduction of thumb, 155
- Restoration of abduction of index finger, 157
- Restoration of intrinsic function of fingers, 157
- Peripheral nerve palsies, 168

### **CEREBRAL PALSID HAND, 181**

### **RHEUMATOID HAND, 191**

### **LATE ISCHEMIC MYOSITIS (VOLKMANN'S CONTRACTURE), 205**

### **CONGENITAL ANOMALIES, 206**

### **DUPUYTREN'S CONTRACTURE, 223**

### **CARPAL TUNNEL AND ULNAR TUNNEL SYNDROMES AND STENOSING TENOSYNOVITIS, 230**

### **TUMORS AND TUMOROUS CONDITIONS, 236**

### **PYOGENIC INFECTIONS, 252**

## **Color plate**

---

### **1. ELECTRICAL AND RADIATION BURNS, 70**
