

**SURGERY OF DISORDERS
OF THE HAND AND UPPER EXTREMITY**

TENDON, NERVE AND OTHER DISORDERS

EDITED BY
RAOUL TUBIANA AND ALAIN GILBERT

Taylor & Francis

Contents

Contributors vii

Preface xi

I Tendons

- 1 Acute traumatic injuries of the digital extensor tendon mechanism** 3

Y Allieu, M Chammas

- 2 Late reconstruction of the extensor tendons** 17

R Tubiana

- 3 Primary repair to flexor tendons** 45

P Valenti

- 4 Flexor tendon grafts** 55

R Tubiana

- 5 Rehabilitation after tendon injuries** 69

TM Skirven

II Nerve and paralysis

- 6 Nerve repair: experimental and clinical update** 95

LB Dahlin, G Lundborg

- 7 Peripheral nerve repair: technique and repair** 105

H Millesi

- 8 Tendon transfers** 125

F Moutet

- 9 Paralysis of flexion and extension of the elbow** 131

P Raimondi, M Del Bene

- 10 Paralysis of the radial nerve** 147

R Tubiana

- 11 Paralysis of the thumb** 167

F Moutet

- 12 Paralysis of the ulnar nerve** 187

R Tubiana

- 13 Associated paralysis** 215

P Valenti

- 14 Trauma of the adult brachial plexus** 223

J-Y Alnot

- 15 Paralysis of the terminal branches of the brachial plexus** 231

R Birch, W Williams, RJ Spinner

- 16 Neurotization in brachial plexus injuries** 247

C Bonnard, DJ Anastakis

- 17 Paralytic disorders of the shoulder girdle** 263

C Bonnard, DJ Anastakis

- 18 Obstetrical brachial plexus disorders** 277

A Gilbert

- 19 Etiology and physiopathology of nerve compression** 303

J-J Comtet

- 20 Anatomical bases for brachial plexus and subclavian artery compression** 313

LA Poitevin

- 21 Thoracic outlet syndrome, scalene complex and interscalene passages** 321

LA Poitevin

- 22 Thoracic outlet syndrome** 333

M Merle, J Borrelly, SW Wilson

- 23 Radial nerve compressions** 353

G Raimbeau

- 24 Median nerve compressions** 367

M Davidsen, A Gilbert

25 Other nerve compression lesions in the upper extremity 379

RJ Spinner, P Amadio

26 Upper limb nerve compressions in musicians 387

R Tubiana

III Pediatrics

27 Hyponeurotization in spastic palsies 403

GA Brunelli

28 Surgery of the infantile spastic hand in cerebral palsy 409

EA Zancolli

29 Embryology and classification of malformations 427

T Ogino

30 Ulnar deficiency 439

D Buck-Gramcko

IV Inflammatory diseases

31 Rheumatoid arthritis 455

R Tubiana

32 The rheumatoid wrist 479

C Dumontier

33 Extensor tenosynovitis 505

R Tubiana

34 Flexor tenosynovitis 517

D Leclercq

35 Arthroplasties in the fingers 525

D Leclercq

36 Finger deformities 537

R Tubiana

37 Rheumatoid thumb 551

D Le Viet, C Allende

38 Indications for surgical treatment of the rheumatoid hand and wrist 565

R Tubiana

39 Tendinitis and epicondylitis 585

D Le Viet, ZH Dailiana

V Other conditions

40 Occupational disorders 605

FD Burke

41 Tumors 615

D Leclercq
