Traumatic brachial plexus injuries

J.-Y. ALNOT
A. NARAKAS

Contents

Foreword, by R. TUBIANA	1
Anatomy of the brachial plexus at the new-born and the adult. Macroscopic and histologic structures, by F. BONNEL, F. CANOVAS	3
Surgical anatomy of the human brachial plexus, by C. SLINGLUFF, J. TERZIS, M. EDGERTON	14
Surgical approach of the brachial plexus roots, by G. HERZBERG, A. NARAKAS †, J.-J. COMTET	19
Nerves which can be used as grafts	
1. The sural nerve, by G. MAGALON, D. SASSOON, J.-F. PELISSIER, J. BARDOT	23
2. The medial brachial cutaneous nerve and the radial sensory branch, by A. NARAKAS †	25
3. The ulnar nerve at the arm and forearm, by E. LEBRETON, Ch. OBERLIN, J.-Y. ALNOT	28
Nerves available for neurotization	
1. The spinal accessory nerve (XI), by J.-Y. ALNOT, Ch. OBERLIN	33
2. The cervical plexus, by G. BRUNELLI	39
3. Surgical anatomy of intercostal nerves (distribution of sensory and motory fibers), by J. HOLLE, G. FREILINGER,	43
4. The ulnar nerve, by Ch. OBERLIN, D. BEAL, A. BHATIA, M.C. DAUGE ...	46
5. The hypoglossal nerve, by A.C.J. SLOOFF, G. BLAAUW	50
Clinical examination, by A. NARAKAS †, C. BONNARD	53
Proposal of a new synoptic evaluation chart for brachial plexus lesion, by G. BRUNELLI	65
Mechanisms of traumatic plexus injuries, by M. MANSAT, P. BONNEVIALLE ...	68
Anatomopathological lesions, by A. NARAKAS †, C. BONNARD	72
A fourth type of traumatic brachial plexus palsy : the intermediate, by G. BRUNELLI	92
Indications and therapeutic perspectives, by J.-Y. ALNOT	94

Associated nerve and vascular lesions, by J.-Y. ALNOT, Ph. BAYON	110
Imaging of traumatic lesions of the brachial plexus in adults, by J.-L. DRAPÉ, O. SILBERMANN-HOFFMAN, B. FROT, A. THIVET, R. BENACERRAF, J.-Y. ALNOT	115
Complete palsies through supraclavicular lesions	
1. Surgical possibilities and results, by C. BONNARD, Y. ALLIEU, J.-Y. ALNOT, G. BRUNELLI, M. MERLE, A. SANTOS-PALAZZI, L. SEDEL, P.L. RAIMONDI, A. NARAKAS †	126
2. Neurotization using the spinal accessory nerve in the brachial plexus lesions, by C. BONNARD, A. NARAKAS †	156
3. Intercostal nerve neurotizations, by H. MILLESI	167
4. Use of vascularized ulnar nerve for grafting C5 C6 and C5 C6 C7 palsies by supraclavicular lesions, by J.-Y. ALNOT, M. MERLE, Ch. OBERLIN	173
C5 C6 and C5 C6 C7 palsies by supraclavicular lesions	
1. Surgical strategy, by J.-Y. ALNOT, C. BONNARD, Y. ALLIEU, G. BRUNELLI, A. SANTOS PALAZZI, L. SEDEL, P.L. RAIMONDI, A. NARAKAS †	179
2. Study of 4 statistics, by J.-Y. ALNOT, G. BRUNELLI, A. NARAKAS †, P.L. RAIMONDI	187
3. Biceps neurotization using the ulnar nerve, by Ch. OBERLIN, A. BHATIA	196
Elbow flexion recovery following nerve repair of supraclavicular brachial plexus injuries in adults : long term comparative results, by Y. ALLIEU, M. CHAMMAS	199
Traumatic brachial plexus palsies of the adult : retro and infra clavicular lesions, by J.-Y. ALNOT, A. NARAKAS †, P.-L. RAIMONDI, E. MORELLI	203
Peripheral nerve lesions in anterior scapulo-humeral dislocations, by L. CELLI, C. ROVESTA, M.C. MARONGIU, A. MINGIONE	212
Brachial plexus palsies : palliative surgery	
1. The shoulder	
A) Paralytic shoulder, by J.-Y. ALNOT	218
B) Shoulder arthrodesis, by M. CHAMMAS, G. MEYER ZU RECKENDORF, Y. ALLIEU,	221
2. Reconstructive surgery of the elbow flexion, by J.-Y. ALNOT, P. ROSTOUCHER, P. HOUVET	225
3. The plexic hand. Wrist and hand involvement in traumatic brachial plexus palsies, by A. SALON, J.-Y. ALNOT	229
Pain syndromes of traumatic lesions of the brachial plexus, by J.-L. BERGER, M. AKESBI, E. EMERY	241
Lesions of the brachial plexus. Re-education and functional splinting. Management of Pain, by C.B. WYNN PARRY	244
Social resettlement of people with traumatic paralysis of the brachial plexus, by D. PETRY, M. MERLE	251
The newborn palsies	
1. Indications and results, by A. GILBERT	255
2. Some aspects in obstetric brachial plexus lesions, by A.C.J. SLOOFF, G. BLAAUW	265
What are the changes in the practice of plexus surgery the last 5 years?, by J.-Y. ALNOT, G. BRUNELLI	268
The future, by Th. CARLSTEDT	272
